Senate Foreign Relations Special Committee studying Mutual Security Program is retaining distinguished citizens as consultants to make field studies in various areas. Former Ambassador Jefferson Caffrey has been designated to make this survey in Western Europe. He will visit France, Italy, Spain, and Portugal. He will be accompanied by Mr. Richard W. Eddy, Secretary to Senator Styles Bridges of New Hampshire, who will act as Ambassador Caffrey's assistant. Ambassador Caffrey will submit a report to the Committee on the fundamental aims of American foreign policy in the area, the extent to which these aims are promoted by the Mutual Security Program and his recommendations for changes, if any. He will be concerned with all substantive and administrative aspects of both the military and non-military programs. Mr. Caffrey is now in Italy and will not be available for any briefing in Washington before his departure. Mr. Eddy will be given a short general briefing in Washington by EUR, ICA, and Defense. It is contemplated that they will be provided with all necessary details in the field. They will not carry classified documents with him. Biographic information on Mr. Caffrey follows.

The Executive Branch regards the Senate study as highly important and wishes the utmost cooperation with the consultants. All Country Teams are requested to provide the fullest assistance in their studies and to make appropriate reports to the Department, Defense, and ICA -- see ICATO Circular XA-341. Missions should meet and assist, arrange and confirm accommodations, plan local briefings, visits with key officials, and field surveys of major Mutual Security Program projects. Ambassador Caffrey may wish to have the opportunity for discussions with U.S. newsmen, businessmen, etc., individually or in small groups to obtain points of view from non-official observers.

USRO and all Country Teams are requested to prepare tentative schedules for Mr. Caffrey's visit. USRO is requested to send its proposed schedule to Embassy Rome for Mr. Caffrey's approval no later than November 23. Embassies Paris, Rome, Madrid, and Lisbon are requested to send their proposed schedules to USRO for Mr. Caffrey's approval during
